Phase 2 – Interview phase by the Transversal Committee

The calendar of interviews by University to the applicants passing the thresholds of the external evaluation is published in this document.

Interviews will be conducted by the Transversal Committee. They will be held in English and by means of a secured online platform. Interviews are scheduled to last 30 minutes starting with a brief introduction of the committee members to explain the interview purpose and to allay candidate's fears and apprehension. There will be room for the candidate's presentation to show their motivation for the research project and PhD programme, and room for questions from both sides to assess the candidate's fit to the hosting research group and vice versa and the career development potential and expectations.
